On the third page of this article there are a few necessary corrections to reference citations:

In the third line from the top of the page, the correct reference for the survey by Rotar (cited in the original article as reference 15 twice in this line) is the following:

Rotar, V.I.: On summation of independent variables in the nonclassical situation. Russ. Math. Surv. **37**(6), 151–175 (1982)

In the seventh line from the top of the page, the reference by Götze and Tikhomirov [8] requires an additional reference citation as follows:

Gotze, F., Tikhomirov, A.: Asymptotic distribution of quadratic forms and applications. J. Theor. Probab. **15**(2), 423–475 (2002)
