DOI 10.1007/s11033-014-3731-3**

The article “Identification of gene expression profile in the rat brain resulting from acute alcohol intoxication”, published in Mol Biol Rep, (2014, 41:8303–8317, DOI

10.1007/s11033-014-3731-3), is retracted by agreement between the authors and the Editor in Chief. Consent for publication was not provided by all of the participants in the main research group; in addition the original experimental data was matched to incorrect rat samples, and significant statistical errors were found in the Results section.

The online version of the original article can be found under doi:[10.1007/s11033-014-3731-3](https://doi.org/10.1007/s11033-014-3731-3).
