Erratum to: Order DOI 10.1007/s11083-010-9164-2

Unfortunately, we found a significant typographical error in the article.

In Theorem 1.4(d) and Theorem 5.1 of “On Nested Chain Decompositions of Normalized Matching Posets of Rank 3”, the condition on rank numbers should read:

$$r_2 > r_0 r_1 - r_0 \gcd(r_1, r_2)$$

The online version of the original article can be found at
