Erratum to: Qual Quant DOI 10.1007/s11135-015-0182-4

Table 2 has been published incorrectly in the original article. The correct version of the table is provided below.

Table 2 Distribution of author characteristics

Authorship	KZfSS	ZfS	PVS	Row total
Single-authored				
Nongraduate	1	0	0	1
Graduate	9	5	4	18
Ph.D.	19	11	10	40
Professor	3	4	3	10
Co-authored total	32	34	21	87
Total	64	54	38	156

The online version of the original article can be found under doi:[10.1007/s11135-015-0182-4](https://doi.org/10.1007/s11135-015-0182-4).

Consequently, the sentence “The majority of articles are authored by Ph.D.s and about 44 % of the 156 articles were written by more than one author.” that refers to Table 2 in the texts on the same page should read as “The majority of articles are authored by Ph.D.s and about 56 % of the 156 articles were written by more than one author”.
