

## Editorial correction

© Akadémiai Kiadó, Budapest, Hungary 2016

### Correction to: *Scientometrics* doi:[10.1007/s11192-016-1965-7](https://doi.org/10.1007/s11192-016-1965-7)

An inadvertent error occurred when assigning articles to journal issues for the print version of *Scientometrics*. Unfortunately, the comment by Bertocchi et al., *Scientometrics*, 2016, 108(1), 349–353 to the article by Baccini and De Nicolao, *Scientometrics*, 2016, doi: [10.1007/s11192-016-1929-y](https://doi.org/10.1007/s11192-016-1929-y) has been published in the journal issue preceding that of the commented paper although it was intended to publish both papers together. The original paper by Baccini and De Nicolao can be found right before this Editorial correction, their response to the comments right after it.

The editors offer their sincere apologies for the mistake.
