Retraction Note to: *Scientometrics* (2015) 105:161–177 DOI 10.1007/s11192-015-1698-z

The Editor-in-Chief has decided to retract the following article, Chien-Lung Hsu and Chun-Hao Chiang: The financial crisis research: a bibliometric analysis. *Scientometrics* 105, pp. 161–177, DOI [10.1007/s11192-015-1698-z](https://doi.org/10.1007/s11192-015-1698-z).

Upon investigation carried out according to the Committee on Publication Ethics guidelines, it has been found that the article contains severe insufficiencies regarding the use of sources and replication of material (figures, tables and verbatim text) without attribution or with inappropriate quotation. The list of identified cases comprises the following sources.

- Ho, *Scientometrics* (2014) 98:137–155
- Bhanot et al., *Journal of Banking & Finance* (2014) 38:51–63
- Mink & de Haan, *International Money and Finance* (2013) 34:102–113

The online version of the original article can be found under doi:[10.1007/s11192-015-1698-z](https://doi.org/10.1007/s11192-015-1698-z).
