### Erratum to: Plant Cell Tiss Organ Cult DOI 10.1007/s11240-014-0650-x

There was an error in the title name of Figure 4 in the original publication. Figure 4 showed the EMSA results on the GmMYB92 BS3 sequence of *SbCHS* promoter. The

title “Electrophoretic gel mobility shift assays for box-L of the *NiPAL* promoter” should read “Electrophoretic gel mobility shift assays for GmMYB92 BS3 sequence of *SbCHS* promoter”. The error does not change the outcome of the study. We apologize for any inconvenience.
