The above-mentioned article contains the same research approach and results including similar mistakes as the article published in the *Journal of Petroleum Science and Engineering*, Zhao Y., Zhang L., Wu F.: Pressure Transient Analysis for Multi-fractured Horizontal Well in Shale Gas Reservoirs, 2012, vols. 90–91, pp. 31–38. This article has also been retracted from <http://www.sciencedirect.com/science/article/pii/S0920410512000897>.

Both papers were submitted knowingly and around the same time, by the same corresponding author to the two different journals, without any reference being made to the other paper.

The publisher apologizes for any inconvenience this may cause.

The online version of the original article can be found under doi:[10.1007/s11242-012-9973-4](https://doi.org/10.1007/s11242-012-9973-4).
