The reason for retraction stated was not complete. The correct text is as follows:

This article has been retracted at the request of the Editor-in-Chief. The article contains the same research approach and results including similar mistakes as the article published in *Journal of Petroleum Science and Engineering*: Zhao, Y., Zhang, L., Wu, F.: Pressure Transient Analysis for Multi-fractured Horizontal Well in Shale Gas Reservoirs, 2012, vols. 90–91, pp. 31–38. This article has also been retracted <http://www.sciencedirect.com/science/article/pii/S0920410512000897>.

Both papers were simultaneously submitted to the two journals by the same corresponding author, omitting any referral to the other paper.

The publisher apologizes for any inconvenience this may cause.
