Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

In the original publication, article title was incorrectly published as “Incidence and characteristics of methicillin-resistant coagulase-negative *Staphylococcus aureus* in peritoneal dialysis-associated peritonitis in a single center using molecular methods”.

The correct title should read as “Incidence and characteristics of methicillin-resistant coagulase-negative *Staphylococcus* in peritoneal dialysis-associated peritonitis in a single center using molecular methods”.

The original article can be found online at <https://doi.org/10.1007/s11255-020-02605-9>.
