Correction to: International Journal of Mental Health and Addiction

<https://doi.org/10.1007/s11469-020-00226-y>

The caption for Fig. 1 was incorrect in this article as originally published.

The correct caption is:

Fig. 1 Regions of the brain where cannabis users had significantly more activity than the non-users during working memory. Blue crosshairs in a) are located on the most significantly different voxel of the left superior temporal gyrus ($x,y,z = -63 -24 5$, $T = 4.99$, $p < 0.001$) and the right middle temporal gyrus ($x,y,z = 66-27 -10$, $T = 4.63$, $p < 0.001$). Blue crosshairs in b) are localized to the most significantly different voxel of the right medial superior frontal gyrus ($x,y,z = 12 51 30$, $T = 4.02$, $p < 0.001$)

The article has been updated.
