**Erratum to: METALLURGICAL AND MATERIALS
TRANSACTIONS A
DOI 10.1007/s11661-016-3517-4**

DURING copyediting of the manuscript, throughout the paper the incorrect Celsius conversions were inserted for all ΔT equations. For example, $\Delta T = 3$ K (-270 °C) is incorrect. The Celsius equivalent in all instances is the same number, $\Delta T = 3$ K (3 °C).

The publisher regrets the error.
