Figures

Figure 5: The original Fig. 5 image and caption should be replaced with the below.

The Figure 5 legend should be replaced: “Correlation between rs-FC and the MATH subtest of the ANAM during 1 month follow up in mTBI participants using Pearson’s partial correlations after correcting for age and years of education”

Tables

Table 5: The final row of Table 5 should be replaced with:

WT-TH	218.7+/ -46.4	220.2+/ -46.9	184.0+/ -41.3	200.5+/ -36.2	0.067	0.511
-------	------------------	------------------	------------------	------------------	-------	-------

Table 6: The final row of Table 6 should be replaced with:

WT-TH	172.7+/ -41/2	188.3+/ -32.8	203.6+/ -34.7	221.6+/ -32.8	0.019	0.504
--------------	--------------------------	--------------------------	--------------------------	--------------------------	--------------	--------------

Text

- 1) In the 11th line of the abstract remove “and weighted throughput score ($p=0.001$)” from sentence.
- 2) In the 16th line of the abstract replace “ $p=0.009$ ” with “ $p=0.019$ ”
- 3) In the 8th line of the second paragraph in the “ANAM battery” section of the Results, remove “and WT-TH ($p=0.001$)” from sentence.
- 4) In the 16th line of the second paragraph under the “ANAM battery” section of the Results, replace “($p=0.009$)” with “($p=0.019$)”
- 5) In the 3rd line of the first paragraph under the “Correlations between imaging and ANAM” section of the Results, replace “at initial stage” with “at either time point”
- 6) In the 3rd–6th line of the first paragraph under the “Correlations between imaging and ANAM” section of the Results remove the sentence “However, at the one month follow up WT-TH ($R=0.438$, $p=0.010$) (Fig. 5).”
- 7) In the final line of the first paragraph under the “Correlations between imaging and ANAM” section of the Results, add reference “(Fig. 5)” to end of sentence after “1 month follow up”.
- 8) In the 3rd line of the first paragraph under the “Neurocognitive performance” section of the Discussion, remove the phrase “as well as the WT-TH”
