DOI 10.1007/s11695-016-2263-4

This article has been retracted as a result of double publication. A similarly worded paper was previously published by Dr. Marquez in February 2016 in the journal *Cirugía Española*. The Publisher and Editor-in-Chief have reviewed both papers and have determined that the degree of overlap is extensive.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11695-016-2263-4>.
