The above named article is to be retracted from the *Irish Journal of Medical Science*. As a result of poor communication, the manuscript was submitted to *Neuroradiology* whilst still under consideration by the *Irish Journal of Medical Science*, and subsequently published online by *Neuroradiology* on 26th May 2009. The article was published online within the *Irish Journal of Medical Science* on 20th August 2009; due to being the latter of the two article versions, we have decided to retract the article.

Readers wishing to access the article content can do so at *Neuroradiology*, August 2009, Volume 51, Issue 8, pp 525–529, doi:[10.1007/s00234-009-0537-4](https://doi.org/10.1007/s00234-009-0537-4).
