Correction to: *Curr. Treat. Options in Oncol.* (2020) 21: 69
<https://doi.org/10.1007/s11864-020-00768-2>

The original version of this article unfortunately contained mistakes. In Table 2, under the column 'Lead to death' in Row 5 [CheckMate-026], the figures should read as '0.7' for Experimental Arm and '1.1' for Comparator. Right now, these are printed as 0.007 and 0.011 respectively.
