Correction to: Current Cardiology Reports

<https://doi.org/10.1007/s11886-022-01828-9>

The article “The Role of Imaging in Preventive Cardiology in Women”, was originally published electronically on the publisher’s internet portal on 28 December 2022 with an error in the Fig. 3 caption. The legend “This showed normal regional ischemia at stress and rest.” should be changed and corrected to “This showed no myocardial perfusion defects at stress and rest”.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s11886-022-01828-9>.
