Erratum to: J Mol Neurosci
DOI 10.1007/s12031-010-9445-7

The original version of this article unfortunately contained a mistake. First, the correct primer pair listed in the Methods and Sample Collection section is: (5'caaatcaaggatacattcagga 3'forward) and (5' agctcctttccaataaaaagttatc 3'reverse). Secondly, Figure 1, the image associated with subject I-1 from family a, is an MRI image and not a CT image.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s12031-010-9445-7>.
