Article “Clinical value of circulating tumor cells for the prognosis of postoperative transarterial chemoembolization therapy” by Jian-wen Huang, Bing Liu, Bao-shan Hu, Yong Li, Xu He, Wei Zhao, You-bing Zheng, Li-gong Lu, published in Volume 31, Issue 9, DOI: [10.1007/s12032-014-0175-5](https://doi.org/10.1007/s12032-014-0175-5) has been retracted at the request of the authors. The author who was responsible for circulating tumor cells counting mistook some TACE group samples for control group samples in collecting and could not recall which samples were in the wrong group.

The authors apologize for any inconvenience this might have caused.
