The original version of this article unfortunately did not include the Acknowledgement. The Acknowledgement should read as below.

We wish to acknowledge generous support from the Oxford Institute on Ageing and the expertise of Kate Hamblin and Anne Mackintosh in liaising with authors and in the production process. The ARC Centre of Excellence in Population Ageing (CEPAR) supported travel by contributors to our invited symposium at the International Sociology Association in Yokohama Japan in 2014. Anonymous referees contributed significantly in improving the work.
