### **Erratum to: St Comp Int Dev DOI 10.1007/s12116-014-9166-y**

The original abstract for the article stated, “While equality has been historically low in South Korea, it has been high in Chile throughout the twentieth century, increasing substantially during the period of military rule.” It should read, “While inequality has been historically low in South Korea, it has been high in Chile throughout the twentieth century, increasing substantially during the period of military rule.”
