

## PEER REVIEWERS

The Society for Economic Botany extends its personal thanks to the men and women who agreed to peer reviewer manuscript submissions during 2014. The number in parentheses indicates multiple reviews. We apologize for any names we may have missed. We also give a special thanks to our Associate Editors, who do most of the real work of the journal, and who are frequently called upon to review additional manuscripts.

Melinda Allen	Dorian Fuller	Jaime Prohens
Emanuela Appetiti	Orou Gaoe	Cassandra Quave (4)
