Unfortunately, there are a few errors in the published review article titled “Role of sirtuins in chronic obstructive pulmonary disease,” DOI [10.1007/s12272-014-0494-2](https://doi.org/10.1007/s12272-014-0494-2). These errors should be corrected as follows:

In Table 1, Deacytlase should be corrected as Deacetylase. Desuccinylase should be corrected as Desuccinylase.

In Acknowledgements, “This work was supported by the 2012 Inje University research grant” should be corrected as “This work was supported by the 2013 Inje University research grant.”
