Erratum to: J Canc Educ
DOI 10.1007/s13187-014-0645-7

Table 1 in the original publication of “Determinants of survivorship care plan use in United States cancer programs” (Birken SA, Deal AM, Mayer DK, Weiner BJ; 2014;doi:10.1007/s13187-014-0645-7) erroneously excluded an item designation for one

group of response options. The following response options should correspond to the item “In your opinion, what are barriers to SCP use in your cancer program? Please check all that apply.”: “There are not enough resources (e.g., time, staff, training, money) to use SCPs”; “Perception that SCPs are difficult to use”; “Influential people (e.g., physician champions, managers) have not advocated for SCPs to be used”; and “Other.”

The online version of the original article can be found at <http://dx.doi.org/10.1007/s13187-014-0645-7>.

Table 1 Survey item response options and frequencies ($n=81$)

Number	Item	Response options	Frequency (%)
1	Which of the following options best describes SCP use in your cancer program? <i>Please check one.</i>	SCPs are used regularly. → Please proceed to Question 3.	15.00
		SCPs are used sometimes. → Please proceed to Question 3.	30.00
		SCPs were previously used, but we no longer use them. → Please proceed to Question 3.	0.00
		SCPs are not used, but we are planning to use them. → Please SKIP to Question 8.	51.25
		SCPs are not used, and we do not plan to use them. → Please SKIP to Question 9.	3.75
2	Approximately when did SCP use begin in your cancer program? <i>Please enter an approximate start date or check "Don't Know."</i> ^a	1995	3.33
		2006–2009	13.33
		2010–2013	83.32
3	Approximately what percentage of providers in your cancer program has used SCPs? <i>Please check one percentage or "Don't Know."</i>	0–25 %	58.33
		26–50 %	2.78
		51–75 %	16.67
		76–100 %	16.67
		Don't know	5.56
4	For approximately what percentage of all survivors in your cancer center are SCPs developed? <i>Please check one percentage or check "Don't Know."</i>	0–25 %	47.22
		26–50 %	22.22
		51–75 %	8.33
		76–100 %	13.89
		Don't know	8.33
5	Approximately what percentage of SCPs is delivered to survivors? <i>Please check one percentage or check "Don't Know."</i>	0–25 %	45.71
		26–50 %	17.14
		51–75 %	5.71
		76–100 %	22.86
		Don't know	8.57
6	Approximately what percentage of SCPs is delivered to survivors' primary care providers? <i>Please circle one percentage or check "Don't Know."</i>	0–25 %	52.78
		26–50 %	8.33
		51–75 %	2.78
		76–100 %	19.44
		Don't know	16.67
7	For survivors in which tumor groups have SCPs been/will SCPs be used? <i>Please check all that apply.</i>	Breast	81.58
		Colorectal	55.26
		Testicular	0
		Prostate	38.16
		Other	53.95
8	What kinds of SCP templates have been/will be used? <i>Please check all that apply.</i> ^a	LIVESTRONG Care Plan	13.16
		American Society for Clinical Oncology (ASCO) Survivorship Care Plan	32.89
		Journey Forward	19.74
		Other	90.79
9	Why did/will your cancer program begin using SCPs? <i>Please check all that apply.</i> ^a	Desire to comply with American College of Surgeons (ACoS) Commission on Cancer (CoC) cancer program 2012 standards	77.63
		Belief that it may improve quality of care	75.00
		Desire to comply with National Comprehensive Cancer Network (NCCN) guidelines	53.95
		Desire to comply with American Society for Clinical Oncology (ASCO) practice guidelines	43.42
		Other	153.94
10	In your opinion, what are barriers to SCP use in your cancer program? <i>Please check all that apply.</i>	There are not enough resources (e.g., time, staff, training, money) to use SCPs.	76.32

Table 1 (continued)

Number	Item	Response options	Frequency (%)
		Perception that SCPs are difficult to use.	28.95
		Influential people (e.g., physician champions, managers) have not advocated for SCPs to be used.	23.68
		Other	48.69
11	Approximately how many new cancer patients are seen in your cancer program per year? <i>Your best guess is fine.</i>		1279.63 ^b
12	Please enter the ZIP code where your cancer program is located. ^c	Urban	88.60
		Rural	11.40
13	Please indicate your cancer program type. <i>Please check all that apply.</i> ^a	Community hospital comprehensive cancer program	41.56
		Community hospital cancer program	27.27
		Teaching hospital cancer program	18.18
		Other	53.25
14	Of which professional society/societies is your cancer program a member? <i>Please check all that apply.</i> ^a	American College of Surgeons (ACoS) Commission on Cancer (CoC)	75.95
		Association of Community Cancer Centers (ACCC)	37.97
		American Society for Clinical Oncology (ASCO) Quality Oncology Practice Initiative (QOPI)	36.71
		National Comprehensive Cancer Network (NCCN)	35.44
		Other	26.58
15	What is your current position in the cancer program? <i>Please check all that apply.</i> ^a	Registered nurse	39.00
		Nurse practitioner	19.50
		Other	41.60

^a The percent of responses to infrequently selected options have been collapsed. Specific response options and frequencies are available upon request from SB

^b Average number of new cancer patients per year

^c ZIP codes identified as urban or rural using Rural-Urban Commuting Areas data
