The author regrets that an Erratum to his article published in January 2015, Volume 5, Issue 1, is required due to an oversight.

This article mistakenly mentions the ‘International Panel on Climate Change’ in the abstract, the keywords, the opening paragraph on page 1, and in the bibliography. This should be: ‘Intergovernmental Panel on Climate Change’.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s13194-014-0095-4>.
