Correction to: Biomass Conv. Bioref. (2017) 7:139–152

Two significant errors were found in this article: In Table 1, due to a missing decimal point, Dry Matter Yields are displayed ten times too high. In Figure 2, the caption of the y-axis should read *kg CO₂-equivalents ha⁻¹ a⁻¹* instead of *t CO₂-equivalents ha⁻¹ a⁻¹*.
