### Correction to:

**Tissue Eng Regen Med (2017) 14(6):667–678**

<https://doi.org/10.1007/s13770-017-0090-x>

Unfortunately, Acknowledgements section was missing in the originally published article.

It is now provided here as follows:

**Acknowledgements** In the article ‘Extracellular Vesicles in Neurodegenerative Diseases: A Double-Edged Sword’ published in Tissue Engineering and Regenerative medicine (Vol 14, Issue 6, Dec. 01, 2017, pp. 667–678) the funding source was omitted. Funding support for this study was obtained from the Bio & Medical Technology Development Program of the NRF funded by the Korean Government, MSIT (2017M3A9B4042583).
