### Erratum to: Clin Drug Investig DOI 10.1007/s40261-015-0341-3

A Published-Ahead-of-Print version of this article was made available online on 28 September 2015. Errors have subsequently been identified in the original version of the article, and the following corrections should be noted:

**First paragraph, Line 6**, cited authors' names, which previously read:

Gellote and Zimmerman

Should read:

Gelotte and Zimmerman

**Fourth paragraph, Line 6**, cited authors' names, which previously read:

Gellote and Zimmerman

Should read:

Gelotte and Zimmerman

**Last paragraph, Line 1**, cited authors' names, which previously read:

Gellote and Zimmerman

Should read:

Gelotte and Zimmerman

**Reference 1**, which previously read:

Gellote CK, Zimmerman BA. Pharmacokinetics, safety, and cardiovascular tolerability of phenylephrine HCl 10, 20, and 30 mg after a single oral administration in healthy volunteers. Clin Drug Investig. 2015;35:547–58.

Should read:

Gelotte CK, Zimmerman BA. Pharmacokinetics, safety, and cardiovascular tolerability of phenylephrine HCl 10, 20, and 30 mg after a single oral administration in healthy volunteers. Clin Drug Investig. 2015;35:547–58.
