The following sentences, which previously read:

“No sources of funding were used to assist in the preparation of this commentary. Peter R. Rijnbeek works in a group that has received funding from European Commission and several pharmaceutical companies. Dr Rijnbeek has no other conflicts of interest that are directly related to the content of this commentary.”

Should read:

“No sources of funding were used to assist in the preparation of this commentary. Peter R. Rijnbeek works in a group that has received funding from European Commission and several pharmaceutical companies. The Department of Medical Informatics has in the past received funding from OMOP. Dr Rijnbeek has no other conflicts of interest that are directly related to the content of this commentary.”
