Erratum to: *Pediatr Drugs* DOI 10.1007/s40272-016-0190-4

In the original publication, the word “Bumetanide” in the article title is spelt incorrectly. It has been corrected in this erratum. The short title of the article (running head), which previously read as “Bumetanide and ototoxicity” should read as “Bumetanide and ototoxicity”.

The online version of the original article can be found under doi:[10.1007/s40272-016-0190-4](https://doi.org/10.1007/s40272-016-0190-4).
