

# RETRACTED ARTICLE: Determining the Sites of Neural Adaptations to Resistance Training: A Systematic Review and Meta-Analysis

Ummatul Siddique<sup>1</sup> · Simin Rahman<sup>1</sup> · Ashlyn K. Frazer<sup>2</sup> · Glyn Howatson<sup>3,4</sup> · Dawson J. Kidgell<sup>2</sup> 

Published online: 29 July 2019  
© Springer Nature Switzerland AG 2019

The authors have retracted this article [1] because after publication it was brought to their attention that the statistical approach is not appropriate. The authors are re-analysing their data and intend to submit a new manuscript for peer review in due course. All authors agree to this retraction.
