**Erratum to: Mol Diagn Ther**  
**DOI 10.1007/s40291-016-0212-5**

In the online publication, the following errors were subsequently identified in the article and corrected in this erratum.

The incorrect article title has been corrected. In Table 1, section “Target INR range”: the cell entry in column 2, which previously read as  $n$  % should read as  $n$  (%).
