Dear colleague
Thank you for
Your kind referral.
I was happy to consult
With you on
The interesting Mr. L.

Why did you refer Mr. L.?
There was no rhyme or reason-
It was a wasted consult-
I am a sparse resource,
A bucket of water
In an arid land
Where parched souls wait in line
To have their thirst quenched
While you disrupt the queue
Then slosh and spill
Obliviously.

Please find attached my consult.
Thank you for allowing me
To assist in the care of your patient.
I welcome your future referrals,
And let me know if I can be
Of further assistance.
