Due to an oversight during the production process, this article was published without the following acknowledgement:
The authors would like to acknowledge a grant from the Zell Family Foundation; the online version and PDF omit this. The Foundation supported this program through an education unrestricted grant that supported faculty salaries. The funder did not have any role in curriculum design, evaluation, analysis, or drafting of the manuscript.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s40670-016-0267-2>
