Unfortunately, the text “Star dust: greetings from deep space” has been published without the German version as supplementary material. Because of the wide interest of German speaking readers, this version is now published here as supplementary material.

The original article can be found online at <https://doi.org/10.1007/s40828-016-0031-7>.

Electronic supplementary material The online version of this article (<https://doi.org/10.1007/s40828-018-0069-9>) contains supplementary material, which is available to authorized users.
