Due to a misunderstanding during proof correction, some references were cited in false positions in the article.

In particular the sections "Inlaid genome" and "SMC complexes" were affected. The original article has been corrected.

Springer Nature apologizes to the readers of the journal for not detecting the mistakes during the production process.

The original article can be found online at <https://doi.org/10.1007/s42764-021-00050-1>.
