

*Advances in Computational Mathematics* **21**: 445, 2004.

## Errata

J.M. Carnicer and M. Gasca's paper 'Classification of bivariate configurations with simple Lagrange interpolation formulae', published in *Advances in Computational Mathematics* 20 (2004) 5–16, was communicated by T. Sauer.

The paper 'On the representation of band-dominant functions of the sphere using finitely many bits' by H.N. Mhaskar, F.J. Narcowich and J.D. Ward, published in *Advances in Computational Mathematics* 21 (2004) 127–146, was not communicated by J. Ward, but by C.A. Micchelli.
