Schochet RB, reviewer. *J Gen Intern Med.* 2005; 20:210–11. Review of: Platt FW and Gordon GH, eds. *Field Guide to the Difficult Patient Interview*, 2nd ed.

The table of contents incorrectly indicated the title and authors of the book under review. The corrected entry is:

BOOK REVIEW

Frederic W. Platt and Geoffrey H. Gordon, eds. *Field Guide to the Difficult Patient Interview*, 2nd Ed.

Robert B. Schochet

The publisher apologizes for this error.

Pearlman RA, Hsu C, Starks H, Back AL, Gordon JR, Bharucha AJ, Koenig BA, Battin MP. Motivations for Physician Assisted Suicide: Patient and Family Voices. *J Gen Intern Med.* 2005;20:234–39.

The footnote for Table 4 on page 237 gives the incorrect source for the table. The footnote should instead read:

*Reproduced with permission from Pearlman and Starks³⁴

The author and publisher apologize for the error.

Curlin FA, Hall DE. Strangers or Friends? A Proposal for a New Spirituality-in-Medicine Ethic. *J Gen Intern Med.* 2005; 20:370–74.

The references were incorrectly cited in the first paragraph of the above-indicated article. Fortunately, the concepts that the cited references were intended to reinforce are widely understood and accepted within the field. Should any reader require clarification regarding the references that the authors intended to cite in the first paragraph of their article, Drs. Hall and Curlin invite their requests at fcurlin@medicine.bsd.uchicago.edu.

Drs. Hall and Curlin apologize for the editing error.
