page 271, right column, line 13 from bottom should read *based on copper and aluminum atoms* instead of *based on zirconium and aluminum atoms*

page 271, right column, line 11 from bottom should read *copper and aluminum atoms located* instead of *zirconium and aluminum atoms located*

page 271, right column, line 9 from bottom should read *zirconium atoms are disordered* instead of *copper atoms are disordered*

page 272, caption to Fig. 7, line 3 should read (*blue line*) *zirconium*, (*green*) *copper* instead of (*green line*) *zirconium*, (*blue*) *copper*

It should be added to the Acknowledgments Section:
