Erratum to: "On Unique Determination of 3-Connected Plane Domains by Relative Conformal Moduli of Pairs of Boundary Components" [Doklady Mathematics 93, 262 (2016)]

A. P. Kopylov

Presented by Academician Yu.G. Reshetnyak December 10, 2015

Received September 19, 2016

Page 262, left column, lines 6−8 from top should read:

$$M(\Gamma) = \inf_{\rho \in \mathscr{R}(\Gamma)} \int_{\mathbb{R}^2} \rho^2 dxdy.$$

Here, $\mathscr{R}(\Gamma)$ is the family of functions ρ nonnegative and Borel measurable and such that

Page 262, left column, lines 8 from bottom should read:

of a set A

Page 262, right column, lines 2 from top

should read "3-connected" instead of "1-connected"

Page 263, left column, lines 2 from bottom should read:

was partially supported
