Erratum to: The burden of smoking in Israel–attributable mortality and costs (2014)

Gary M. Ginsberg^{1*} and Haim Geva²

After publication of this study [1], the authors noticed an error in the Conclusions. It should be 3600 million NIS instead of 3.6 million NIS. Please see the correct Conclusions below:

Conclusions

Smoking causes a considerable burden in Israel, both in terms of the expected 7847 lives lost and the financial costs of around 3600 million NIS (\$1030 million or 0.42 % of GNP).
