Correction to: Attention, Perception, & Psychophysics
<https://doi.org/10.3758/s13414-019-01802-8>

The following formatting changes to the figures and table need to be made in order to enhance readability:

- 1) Delete bounding boxes around the figures
- 2) The table oriented horizontally.
- 3) The 1st and 3rd lines of the table are headers, the 2nd and 4th are the data. Consistent bolding of font and lines in the table to reflect that.

The original article has been corrected.
