In the above article, which appeared in volume 3, August 2012, reference 25 appeared as: R.W. Pridmore RW (2011) Complementary colors theory of color vision: physiology, color mixture, color constancy and color. *Perception*, 36:394–412.

The wrong journal was cited, and the citation should read as follows: Pridmore RW (2011) Complementary colors theory of color vision: physiology, color mixture, color constancy and color perception. *Color Research and Application*, 36:394–412.
