Correction to: Determining Inorganic and Organic Phosphorus

Jaana Koistinen, Mervi Sjöblom, and Kristian Spilling

Correction to:

Chapter “Determining Inorganic and Organic Phosphorus”

in: J. Koistinen et al., Methods in Molecular Biology

https://doi.org/10.1007/7651_2017_104

There are three corrections for this chapter:

On page 90, 12th line from top, the phrase ‘(see step 6) with ultrapure water (e.g., 1 ml’ has been changed to ‘(see step 6) with ultrapure water (e.g., 0.1 ml’.

On page 91, 19th line from top, the phrase ‘2 ml in 100 ml ultrapure water for 620 µg P/l solution)’ has been changed to ‘0.2 ml in 100 ml ultrapure water for 620 µg P/l solution)’.

On page 93, 10th line from top, the phrase ‘pure water (e.g., 2–100 ml for 620 µg P/l solution)’ has been changed to ‘pure water (e.g., 0.2 ml in 100 ml for 620 µg P/l solution)’.

These changes have now been updated.
