Correction to: Geoarchaeology and Archaeological Mineralogy

Anatoly Yuminov, Natalia Ankusheva, Maksim Ankushev,
Elizaveta Zaykova, and Dmitry Artemyev

Correction to:

A. Yuminov et al. (Eds.): *Geoarchaeology and Archaeological Mineralogy*, SPEES, <https://doi.org/10.1007/978-3-030-48864-2>

The original version of the book was inadvertently published with a few typesetting errors in Chapter 2, which have been updated as follows:

1. In Pg. 10, Line 15, “3,230” has been changed to “2320 m²”.
2. In Pg. 10, Line 27, “16,635” has been changed to “16.635 g”.
3. In Pg. 10, Line 29, “3,230” has been changed to “2320 m²”.
4. In Pg. 11, Line 35, “3,230” has been changed to “3,051”.
5. In Pg. 12, Table 1, Column 3, Row 2, “3,230” has been changed to “2,320”.
6. All the occurrences of “Ust’ye I” have been changed to “Ustye I”.

The original version of the book was inadvertently published with incorrect content in the Acknowledgment section of Chapter 18, which has now been updated as follows:

“The work is supported by RFBR (project No 20-09-00194). Lead isotope analysis was carried out at the Geoanalitik UB RAS Collective Use Center.”

The book and the chapters have been updated with the changes.

The updated version of these chapters can be found at
