Correction to:

C. Gerlach and C. Six (eds.),

The Palgrave Handbook of Anti-Communist Persecutions,

<https://doi.org/10.1007/978-3-030-54963-3>

The original version of this book was inadvertently published with a wrong author name and wrong open access chapter, which have been corrected: In Chapter “Introduction: Anti-Communist Persecutions in the Twentieth Century”, the incorrect author name has been corrected. Also, instead of Chapter “Getting Hold of a Universe of Conspirators: Anti-Communist Panic, Fears of Subversion, and the Routine of Repression in Senegal’s Early Postcolonial Secret Police (the Sûreté), 1962–1965”, Chapter “How Anti-Communism Disrupted Decolonization: South Korea’s State-Building Under US Patronage” was inadvertently published as open access. This has now been corrected. The corrections to the book have been updated with the changes.
