CORRECTION TO:

Chapter 13 in: O. Adeola (ed.), *Empowering African Women for Sustainable Development*,
https://doi.org/10.1007/978-3-030-59102-1_13

The original version of this chapter was revised as there was a typographical error in the Introduction Section of Chapter 13, page 146. The year was meant to read ‘2009’ but ‘2019’ was inadvertently transposed and published. This has now been corrected. The corrected sentence below is for your reference.

“In 2009, the African Union (AU) declared 2010 – 2020 the African Women’s Decade, applying a “top-down and bottom-up approach which is inclusive of grassroots participation” aimed at accelerating the development of the African woman (African Union, 2018).”
