Correction to: A Characterization of Amenable Groups by Besicovitch Pseudodistances

Silvio Capobianco and Pierre Guillon

Correction to:
Chapter “A Characterization of Amenable Groups by Besicovitch Pseudodistances” in: H. Zenil (Ed.): *Cellular Automata and Discrete Complex Systems*, LNCS 12286,
https://doi.org/10.1007/978-3-030-61588-8_8

The authors have made a correction to the authorship of this conference paper [1]. The third author listed as Camille Nous is fictitious (<http://www.cogitamus.fr/camilleen.html>) and as such does not fulfill Springer Nature’s requirements for authorship. The correct authorship list is: Silvio Capobianco and Pierre Guillon.
