The original version of chapter 2 was inadvertently published with wrong RTS values in Table 3: “Results comparison with RTS, S, and SVM^{light} with standard linear loss with a 10-fold cross validation procedure.”

The RTS values were corrected by replacing the wrong values with the appropriate ones.

The original version of the book was inadvertently published with a typo in the author’s e-mail address. In the contribution it read “fportera2@gail.com” but correctly it should have read “filippo.portera@unive.it”.

The footnote reads “¹Code is available at: <https://osf.io/fbzsc/>” and has been added to the last sentence in the abstract.

The original version of chapter 34 was inadvertently published with incorrect allocations between authors and affiliations resp. one affiliation was entirely missing.

The affiliations have been corrected and read as follows: ¹University of Primorska, Koper, Slovenia; ²Jožef Stefan Institute, Ljubljana, Slovenia; and ³Urgench State University, Urgench, Uzbekistan. The authors' affiliations are: Jamolbek Mattiev^{1,3} and Branko Kavšek^{1,2}.
