List of chapters linked to the JOTT SI

A preliminary version of some chapters (1, 4, 7, 8, 9, 10, 11) was part of the Special Issue: “Effectiveness of Technology Transfer Policies and Legislation in Fostering Entrepreneurial Innovations across Continents” published in October 2019 (volume 44, issue 5) in the Journal of Technology Transfer. Following Springer copyright rules, the contributors of the mentioned chapters included at least 30% of new content (e.g., extending new theoretical assumptions, analyzing new data that provide new/extended findings, implications, and potential research lines).
